# Troop One Adult Leader in Camp Sign-up form

**Troop One needs at least six adults in camp at all times. Please Sign Up.**

**If you wish to provide part of the leadership for the boys for the week, please indicate what days and nights you want to be in camp. It's a real easy job, bring a lawn chair and be prepared to make coffee.**

Please indicate in the following table when you want to be in camp to provide needed leadership.

Mark each block with

X = definitely, wouldn't miss it for the world

N = if needed, I can be there

NO = sorry, these times are out

- Thursday breakfast is steak, we can have as many eat as we pay for ☺.
- Wednesday Supper is our potluck Court of Honor evening. Everyone is expected.
- Friday Supper is our special reward for Adults helping throughout the week. Let us know by Thursday evening if you are going to join us. (Typically we chip in and buy from Winking Lizard)
- If you spend the night, circle the mark (X or N) if you will bring your own tent.

Yes there is a fee to cover your food. I will let you know what your "charge" will be if any after we see who is going to be in camp. In the past the committee has voted the money to cover all adult food. I don't intend for any adult offering time to the camp to be charged.

Examples of fees (but probably free):

- \$90.00 for the entire week, or
- each breakfast \$6.00, each lunch \$7.00, and each supper \$8.00

**If you want to offer a merit badge or other program / training please indicate that on the back of this form.**
